Sweetpak- en reënbaadjiebestellings:

Die reënbaadjies en sweetpakke is streng op bestelling. Ons hou geen ekstra reënbaadjies en sweetpakke aan nie. Die klere moet voor of op die onderstaande datums gepas en bestel word. Hou asseblief by dié tye, anders gaan u baie lank wag voordat die klere gelewer kan word. Spertye vir die plaas van bestellings vir sweetpakke en reënbaadjies:

13 Februarie 2020

5 Maart 2020

Hoe werk sweetpak- en reënbaadjiebestellings

Fleurtiek hou nie sweetpakke en reënbaadjies in voorraad nie. Ons laat maak net op bestelling, omdat dit te duur is om soveel voorraad aan te hou. Ons weet ook nie wat die behoefte is nie (dit wissel van jaar tot jaar) en partykeer moet daar verstellings aan die klere aangebring word.

Aan die einde van die jaar en vroeg in die nuwe jaar word datums deurgegee in omsendbriewe (en die hoërskoolleerders s'n ook in hulle dagboeke), waartydens die sweetpakke en reënbaadjies aan-gepas en bestel moet word. Die datums is bv. as volg: 31 Januarie, 28 Februarie, 20 Maart. As u die 28 ste Februarie se besteldatum neem, beteken dit dat u enige tyd van 1 Februarie tot 28 Februarie die klere kan kom aanpas en bestel. Die bestelling word dan 28 Februarie by die verskaffer geplaas. So as u 1 Februarie kom bestel, word u bestelling eers einde Februarie geplaas. Vandat die bestelling geplaas is, neem dit tussen 4 – 6 weke om gelewer te word. Sodra u sweetpak/reënbaadjie gereed is om afgehaal te word, word daar 'n sms aan u gestuur.

Daar is partykeer 'n probleem by die verskaffer, maar dit sal dan aan u deurgegee word. U kan die klere vooruitbetaal, 'n deposito gee of ten volle betaal as dit afgehaal word.

Track suits and rain jackets

The wind breakers or rain tops and the tracksuits are only sold on order. We do not carry extra tops or tracksuits. Final dates on which track suits and rain tops must be fitted and ordered:

13 February 2020

5 March 2020

Ordering of track suits and rain jackets

Fleurtiek does not stock track suits and rain jackets. We have them because they are too expensive to stock. We also do not know what the need is as it differs from year to year and sometimes alterations have to be made to the garments.

At the end of the year and early in the new year dates are given in circulars (and the high school learners have them in their diaries too) at which times the track suits and rain jackets may be tried on and ordered. The dates are for example: 31 January, 28 February and 20 March. If you choose the 28 February as the date to order it means that you can come for a fitting and place an order any time from 1 February to 28 February. The order is then placed with the suppliers on 28 February. That means if you place your order on 1 February the order is sent through only at the end of February. From there it takes a further 4 – 6 weeks for delivery. As soon as the track suits/rain jackets are ready to be collected you will receive an SMS.

Should there be a problem with the suppliers, as sometimes happens, you will be informed. You can pay in advance, give a deposit or pay in full when the garments are collected.
