Sweetpak- en reënbaadjiebestellings:

Die reënbaadjies en sweetpakke is streng op bestelling. Ons hou geen ekstra reënbaadjies en sweetpakke aan nie. Die klere moet voor die onderstaande datums gepas en bestel word. Hou asseblief by dié tye, anders gaan u baie lank wag voordat die klere gelewer kan word. Spertye vir die plaas van bestellings vir sweetpakke en reënbaadjies is soos volg:

10 Februarie 2022

Hoe werk sweetpak- en reënbaadjiebestellings

Ons laat maak net op bestelling, omdat dit te duur is om soveel voorraad aan te hou. Ons weet ook nie wat die behoefte is nie (dit wissel van jaar tot jaar).

Die bestelling word by die verskaffer geplaas daarna neem dit tussen 4 – 6 weke om gelewer te word. Sodra u sweetpak/reënbaadjie gereed is om afgehaal te word, word daar 'n sms/Whatsapp aan u gestuur.

U kan die klere vooruitbetaal, 'n deposito gee of ten volle betaal as dit afgehaal word.

Track suits and rain jackets

The wind breakers or rain tops and the tracksuits are only sold on order. We do not carry extra tops or tracksuits. The clothing must be fitted and ordered before the dates provided below. Please keep to these dates, or you will have a long waiting period. Final dates on which track suits and rain tops must be ordered:

10 February 2022

Ordering of track suits and rain jackets

We have them made on order because they are too expensive to stock. We also do not know what the need is as it differs from year to year.

The order is placed with the suppliers and from there it takes a further 4 – 6 weeks for delivery. As soon as the track suits/rain jackets are ready to be collected you will receive an sms/WhatsApp.

You can pay in advance, give a deposit or pay in full when the garments are collected.
