Dear Grade 11-parent

To ensure that the learners have more time to wear their Matric Jerseys next year, we are starting the process of fitting and ordering a bit earlier this year. Below are the prices of the different options available to you. The jersey will look the same as last year - a white jersey / pull over with 3 black stripes on the collar, sleeves and ribbing with *Fleur de Lis*, *MX21* embroidered on the left chest.

Decide on which option(s) your child wants to order. We will have the children fit during school hours. The full amount must please be paid by the end of November.

This year there will only be ONE order, please make sure your child's order form is handed in on time. If your child ordered a jersey/pull over they have to take it.

Kind Regards
